Vestemp BP20

Wireless Meat Thermometer

advanced-cuisine.com

## Product highlights

**Precision triple sensors.** Equipped with three high-accuracy sensors to monitor both internal food temperature (up to 100°C) and ambient temperature (up to 300°C).

**Smart cooking app.** Control your cook with timers, alerts, forecasts, and doneness settings from the app. Stay at the table with friends while your phone keeps you connected to the kitchen.

**Wireless connectivity.** Bluetooth + Wi-Fi for long-range control (100 meters). Dual connectivity ensures stable, long-distance control. Enjoy your BBQ in the garden or a drink in the living room-while staying fully incharge.

**Stand-alone mode.** Cook without a smartphone. Easily check the temperature on the built-in LED display, or control directly with the button on the charging case.

**Extended battery life.** Up to 72 hours of runtime on a single charge, with convenient USB-C recharging. From weekend BBQ parties to weekday dinners, power never holds you back.

**Waterproof & durable.** Built tough with IP67 waterproofing and food-grade stainless steel. Whether it's a rainy grill session or routine cleaning, durability is never in doubt.

**Versatile cooking companion.** Compatible with oven, BBQ, baking, frying, and air frying. One probe adapts effortlessly to every kitchen setup and every cooking style.

## Technical data

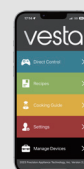

**Model** BP20

### Probe specifications

Color	Black (Upper) + Metallic (Lower)
Temperature sensors	3 (2 at the metal tip, 1 at the ceramic base)
Dimensions	Ceramic base: 10.5 × 8 mm Metal tip: Ø5.5 mm Total length: 119 mm
Weight	0.011 kg
Waterproof rating	IP67
Materials	Ceramic + stainless steel
Bluetooth signal range	100 m
Temperature adjustment range	25°C to 98°C

### Charging case specifications

Color	Black
Input voltage	5-12V DC
Input current	Max 2A
Dimensions	182 (D) × 52 (W) × 34.5 (H) mm
Weight	0.2 kg
Battery capacity	3.7V 3000mAh
Probe charging time	20 minutes
Probe battery life	72 hours
