YJS60-BK

Handheld Vacuum Sealer

advanced-cuisine.com

Product highlights

Compact & powerful. Small in size, big in performance—the perfect balance of portability and strength.

One-touch operation. Ergonomic design with simple one-touch control. Vacuum sealing made effortless.

High-pressure efficiency. Equipped with a powerful pump for quick, airtight sealing every time.

Wireless & rechargeable. Cord-free convenience—easy to carry and use anywhere: at home, camping, picnicking, or fishing.

Multi-purpose compatibility. Works seamlessly with vacuum bags, bottles, and canisters. Pairs perfectly with Vesta Precision pouches and rolls.
