Suction Vacuum Sealer

[advanced-cuisine.com](http://advanced-cuisine.com)

## Product highlights

### Powerful vacuum performance with double pump.

Creates a deep and consistent vacuum with its double pump system, locking in freshness and significantly extending food shelf life—so you waste less and enjoy more.

**Versatile accessory port.** Compatible with external canisters, zipper bags, bottle stoppers, and mason jars—giving you flexible storage options beyond the chamber itself.

**Marinate function.** Infuses flavor into meats, seafood, or vegetables—bringing convenience and gourmet taste to everyday cooking.

**Versatile accessory port.** Compatible with external canisters, zipper bags, bottle stoppers, and mason jars—giving you flexible storage options beyond the chamber itself.

**5mm extra-wide seal bar.** Ensures a stronger, more secure seal by blocking air effectively, keeping your food airtight and fresh for longer.

**Smart seal function.** Keeps the seal bar from overheating, enabling continuous sealing of multiple bags safely and efficiently.

**Magnetic Lock & One-Hand Operation.** Equipped with a magnetic lock for quick, secure closure and a convenient handle button that allows smooth one-hand operation—making vacuum sealing faster and easier in everyday use.

## Technical data

Model	YJS780cfm
Voltage	220-240 V, 50 Hz
Power	550 W
Pump pressure	-28.3 inHg / -958 mbar
Max bag width	406 mm
Seal bar	406 mm
Pump	Double pump
Seal wire width	5 mm
Lock	Magnetic lock
Size	540 (W) × 262 (D) × 142 (H) mm
Weight	5.1 kg
