Product highlights

Smart “side-by-side” bowl system

Convenient, practical and efficient – there are always two bowls ready for use, even if one bowl is in the dishwasher.

Pre-set speed function

For immediate and very even results without ramping up all speeds. Start directly at your pre-set speed for better control over performance and precise results.

Silent strength

Less noise, more convenience – makes cooking easy, instead of noisy.

Versatility of attachments

Whether for kneading, whipping, grating, slicing, shredding and even more – it comes with different accessories to satisfy any food preparation desire.

Energy efficient

Environmentally friendly and cost saving thanks to low power consumption.

Technical data

Model	FX 3030
Type	3202
Colour	white/ green
SKU (INT)	0X22011002
EAN (INT)	8021098771018
Power	600 W
Silent DC motor	●
Variable speed control	electronic (15 levels)
Pre-set speed function	●
Pulse function	●
